This Committee responds to the February 12, 2014 RFAI, with response due 03/19/2014, as follows: This Committee exercises its best efforts to report the complete identification of all contributors who contribute in excess of \$200 in a calendar year. First, this Committee makes a clear and conspicuous request for this information on its restricted website donation platform and on the standardized solicitation materials distributed to restricted class members through the mail. Second, contributors who do not provide that information originally receive a subsequent request for that information that is not itself a solicitation. Third, if and when that information is obtained after the filing of a report, the subject report will be amended. However, no additional information has been received with respect to the subject report as of this date. Entries such as "NULL / NULL" and "Requested / Requested" indicate where that information is not available and/or requested at the time of entry.
